Welcome back!

The children have had a fantastic first week back in the Summer term!

We held our first **whole-school assembly** this morning to celebrate all the Stars of the Week from each class. The children behaved superbly and it was fabulous to be able to strengthen that community spirit again as a whole school.

Our new Summer school dinner menu was launched this week along with enhanced graphics in the main hall which help the children understand where their food comes from. Thank you to Pabulum for this - their new menu can be viewed [here](#)

Our Summer Club offer is coming out next week and will offer a broad range of extra-curricular activities to choose from. We have also been busy planning events such as Sports Day (Friday 24th June) and Display Evening (7th July) - please save the dates!

New memorial Bench ordered

Old bench

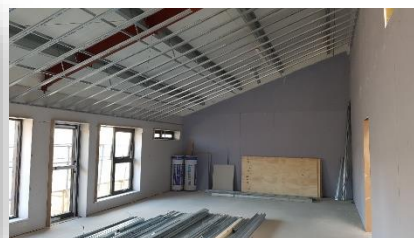

Last year, parental donations from our sponsored walk/run helped raise funds to redevelop the area around Daniel's tree. We are still working on plans to completely redevelop this area over the holidays, but for now a new bench has been ordered to arrive in 3 months' time. Thank you to all those who donated!

New Building Taking Shape

The New building (8 classroom block to replace ageing demountables on the Barnes Farm site) is on course to be completed by July with children ready to move in for the new academic year in September. We've just selected the colour scheme and internal walls are being plastered at the moment. It looks fabulous!

Book your parent consultation before Tuesday 9am!
