

WEMBLEY STADIUM CLUB CHALLENGE RACE ACROSS THE WORLD 2021

MONDAY 17TH MAY – SUNDAY 23RD MAY

Dear Parents/Carers,

Your child's school has signed up to participate in this fun, free and exciting competition which aims to motivate children to participate in physical activity for a purpose. Children can tell us what activity they've completed each day to earn points, and points equal miles! We calculate the total number of miles earned each day for each school, and we plot a location or landmark somewhere in the world that matches the distance. By the end of Sunday 23rd May, the school that has travelled the furthest distance away from Wembley Stadium win the competition.

HOW TO EARN MILES

All physical activity counts! Walking, running, cycling, playing sports, dancing, karate... anything that could be classed as exercise!

HOW YOU'LL KNOW WHERE YOUR SCHOOL HAS TRAVELLED TO

We will send daily updates to your school staff representative. We'll also update every day on social media, so be sure to follow us!

@CUCTRUST   

HOW TO SUBMIT YOUR ACTIVITY

Use this link

<https://forms.gle/PyPtWryTTHDY1kqw7>

or the QR code below and follow the instructions on the form. When submitting exercise done at home, select 'individual' when completing the form.

This can be completed only once per day.

RACE ACROSS THE WORLD 2021 WEMBLEY STADIUM CLUB CHALLENGE

HOW IT WORKS

Over a one week period, children from participating schools can earn points by taking part in physical activity, and telling us what they've done. Points equals miles, and each day, we add the miles together, showing each school how far they've travelled and where in the world they've ended up. The school that travels the furthest distance from Wembley Stadium by the end of the week wins!
