14 September 2018

Dear Y5 Parents,

This half term our topic is **Earth and Space**.

This includes learning about the solar system, phases of the moon and astronauts.

We would like the pupils to complete a half term project entitled 'Stars.'
Some ideas are as follows:

- *Life cycles of stars*
- *Constellations*
- *Famous Astrologers*
- *Why Stars Shine?*
- *Differences between Stars and Planets*
- *Ways of Observing Stars*
- *Stars in History.*

Children can present their research in a variety of ways such as: Power point, Star Maps, information text, 3D model or any other way they wish.

The project should be handed in by the Friday of the first week - Friday 3rd November.

We look forward to viewing your creation!

Yours sincerely,

The Y5 Teaching Team
