Teacher-led Clubs start!

A range of teacher-led clubs start next week to complement the SCS-run sports clubs that began from week 1. Our school has a proud history of offering a wide range of clubs and this year is no exception with music-mixing, art and craft through to yoga and mindfulness. There is hopefully something for everyone and we are looking to add a few more after half term. I would like to thank the staff who commit to this additional time and to the parents who encourage their children to 'try new things' to experience a broad curriculum offer at school.

Industrial action update - I will write to all parents and carers next week with details of the CLP schools' plans in response to the recent vote by the NEU for industrial action.

Mr McTaggart - Headteacher

Y3 PE Day Friday 27th January (added to E-schools Lite app)

The February Walk of Fame challenge is coming! We are aiming high to be on the national leaderboard with all our classes taking part. Please try to walk into school regularly or, if you have to drive, park at Asda and stride into school (this counts!!). Not only does it give you a healthy boost, but minimises the disruption and congestion outside of school and for our local community.

We awarded over 300 Active travel badges in November and December (out of 360 in the school) for children who recorded at least one active travel journey every week during these months. Active travel can include walking, wheeling or park/striding from Asda.

Also – there is a chance to design the next WOW badges!! Templates in class (ends 28th Feb) and on our website [here](#)

One of our pupils, Olivia, is taking part in a fundraising challenge for Great Ormond Street Hospital. She will be doing 1400 squats in February to raise money for the charity. Can you support her challenge and raise money for a charitable cause? [Click here](#)

The Free E-Schools Lite App is here! Get updates whenever content is added onto the school website as well as access to the school calendar etc.
