No 14: 17th December 2021

Merry Christmas!

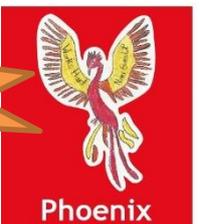

We have finally reached the end of a long and hard-working term. With the recent surge in community Covid cases, the holiday has arrived at about the right time and will hopefully allow our school community to have a break, rest and stay safe with their families over the seasonal period. The staff and Governors are looking forward to welcoming you all back on Wednesday 5th January 2022. I would like to thank all of the school staff for their dedication in putting the children first in all that they do. Secondly, the pupils have worked so hard this term and cheerfully (mostly) adapted to any changes in the way we have had to run things. Finally, I would like to thank the parents for your positive engagement in school life which still feels very remote for many of you. I wish 2022 to bring greater opportunities for all of us as well as continued health and happiness.
