19 September 2019

Dear Year 3 Parents,

This term our area of study is **The Stone Age to the Iron Age.**

This includes learning about prehistoric Britain, a comparison of different eras and studying how people lived.

We would like the pupils to complete a half term project entitled, 'How to survive in the Stone Age.'

Some ideas are as follows:

- Stone Age people built shelters to live in using natural materials. Gather materials and build a model shelter.
- Write a diary about the life of a Stone Age child, considering daily tasks.
- Create a Stone Age meal using foods that would have been available to early humans.
- Research, design and make Stone Age tools.

The project should be handed in by the Friday of the first week after the half term break:
8th November 2019

We look forward to viewing your project!

Yours sincerely,

Mr Smart
Mrs Crumlish
Mrs Jordan
The Y3 Teaching Team
