

## Barnes Farm Junior Sponsored Run

All of our children took part in the sponsored fun run this week with half an hour to run as many laps as they could around our 'mile-a-day' track. The weather was hot all week but the children really pushed themselves. Lots of pupils exceeded their own target with some running over 3 miles! Many

also said they were inspired by the story of Daniel, the ex-pupil whose tree we are raising money to site a new bench around. I shared this picture (right) of the tree and bench from 2004 when it had just been planted. It has grown so much since!

Thank you!

We have been amazed at how many families have raised sponsorship money. Please try and collect this money and bring it in by Friday 25<sup>th</sup> June.

Please make sure children and parents exit the site promptly at the end of the day following the correct routes
