Christmas is Coming!

Beardwells put up a Christmas tree with some extra help this week and other signs appeared around the school to brighten the place up at the moment with three Christmas trees displayed around school. Craft Club have been working very hard creating decorations for their tree at the Christmas Tree festival at Church of Our Saviour on Saturday. Please pop down and see the trees from 2pm and vote for your favourite!

Reading Books

As we are approaching the end of the term, we request that **all book loans be returned to the school.**

Our records show that, since Summer 2020, nearly 450 books have been lost or damaged while on loan. We strive to keep our library full of new and wonderful stories, poems, and facts so that the children can read a rich variety of texts. Please support us in this by reminding your children that books are precious and valuable, and should be treated with respect. We may seek reimbursement of £5.00 for any books which are lost or damaged and need to be replaced. Letters have been sent home with children this week if they have an existing overdue loan. We have recently received some donations of books from the school community, which we always greatly appreciate and will help us begin to replenish stock on our bookshelves. Over the coming weeks, please look around your home for any books which may need to be returned to school, especially if you have older children who left the school in July.

Thank you for continuing to support our young readers.
