Walk to School Week!

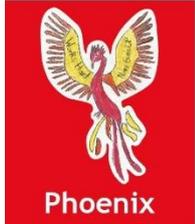

This week saw the launch of our WOW scheme during National Walk to School Week with an assembly led by Zoe Lynch from the Living Streets Charity. We have captured our current methods of getting to school and would like to particularly see a rise in the use of 'park and stride' from Asda instead of driving and parking in the close

neighbouring streets to the school. This is a joint initiative with the Infant school and the children will get weekly opportunities to record how they travel to school with the aim of getting a WOW badge with a different theme each month. In addition, the child who makes most progress will receive an invite to tour the Houses of Parliament with Vicky Ford MP too.

Rounders Tournament

Mrs Vickers and Mr Brothers from SCS Coaching escorted our Rounders team from Y5/6 to a competition against other Chelmsford schools. The children finished 3rd and improved their tactics and skills with every game that they played. Mrs Vickers also commented on how well the children behaved and represented the school too. Well done all!

Boccia Finals!

On Tuesday, Oskar, Daniel and Callum from Year 4 represented our school in the Chelmsford Sports Partnership Boccia Final at Basildon Sporting Village. They all demonstrated great skill and concentration during the matches. They said,

“The competition was fun and enjoyable. The journey was good and the games were skilful. Even though we didn’t come in the top three teams we played our best, tried really hard and it was fun taking part.”

Well done Oskar, Daniel and Callum! It is very commendable to take part in a game you haven't played before and to get all the way to the final is a brilliant achievement.

Polite Parade - 20th May 2022

Today's 'Polite Parade' included children picked out by our Health Ambassadors for a special thank you for great dining hall behaviour and manners.

PE Reminders

Next week - Mon Y3 Tues Y4 Weds Y5 Thurs Y6

We aim to be a nut-free school to protect those children who have severe allergies – please do not include Nutella or other peanut-based snacks in packed lunches

Geography Day - Tuesday 17th May

On Tuesday, we focussed on a whole-school Geography project for the day culminating in a 'United Nations' assembly at the end of the day. Superb work was undertaken and geographical skills and knowledge were particularly developed. Thank you to Mr Williams (our Geography Lead) for his organising of the day.

Jubilee Day Thursday 26th May

To mark the Queen's Platinum Jubilee, we are inviting children to come to school wearing anything that includes red, white and/or blue.

There will be a special assembly to mark the occasion and give children an insight into the 70 year period.

There will also be a special school meal available to order on the day for £2.30 payable through ParentPay.

We will also be announcing some special news about our new building and giving children the opportunity to design some fresh Star of the Week certificates as well as the front cover of our Learning Passport for 2022-2023.
