Power Up for Walk to School Week!

Not only is next week National Walk to School week but it is also the official launch of our WOW scheme which will recognise the efforts of every child to consider their route to school and whether it can be made more sustainably. It begins with a launch assembly on Monday. You can also find a special bingo chart to spot further down in this newsletter plus support from our local MP too.

Y3/4 Cricket Champions

A fantastic team of children from Year 3 and 4 participated in a local inter-school cricket competition against other Chelmsford schools and won! They now progress to the county finals along with New hall - the runners up. Their teamwork and tactics were particularly praised by Mr Jarvis from the SCS coaching staff who was one of the staff members accompanying the players and we celebrated their achievement in today's assembly.
