29 September 2023

Dear Parents and Carers,

To enrich our current Year 5 project, we have organised an Egyptian workshop on Thursday 19th October. The children will learn more about the ancient Egyptians and explore how they lived. They will have the opportunity to create some of their own Egyptian artefacts from clay and take part in a grand feast!

In order to fully immerse themselves in the learning and the experience, we invite the children to dress up in an Egyptian costume. Please do not go to any additional expense, a simple pillow case fashioned into a tunic, with a homemade necklace and sandals would work well. We would advise children to wear something warm underneath and also recommend they change into any alternate footwear for lunch and playtimes.

Please note, PE will be on Monday 16th October for this week only.

We are very much looking forward to the day and how the activities will enrich the children's understanding of the period of history.

Year 5 Teaching Team
