February 2023 - Walk of Fame Active Travel to School

February has begun and we are all trying to encourage even more active journeys to school - especially Park and Stride from Asda. Our school council have measured the 827 steps from car park to school gate and it qualifies as a journey for your WOW badge too! If you drive your child to school - please try it as a healthy and enjoyable option to get to school. 302 WOW badges were earned in January too! Let's aim high for the national leaderboard!

Gold Medal Winners

Congratulations to the Year 3 Mixed Football team who had an extremely successful afternoon at the Chelmsford School Sports Partnership competition on Monday. They were overjoyed at winning first place and receiving gold medals. A fantastic performance put them at the top of their pool after four tough matches and a nail-biting final then follows. Each member of the team showed determination and confidence throughout the competition, demonstrating our school values. They should also be commended on their sportsmanship and behaviour during the competition - it was a pleasure to watch them play. Thank you to SCS for supporting this event. Mrs Vickers - Assistant Headteacher
