## Welcome Back

A warm welcome to all of you reading this first newsletter of the new academic year 2022/2023. Thank you to all of our families who have made such an effort to send children into school looking so smart and well-prepared. Please contact the office about access to high-quality nearly-new uniform available through the school if you need it - jumpers/cardigans are available for £1 and polo shirts at 50p. We have been delighted to hand out our new pupil passports, too, which will be an essential part of the children's journey through the year.

The building work that we endured for the whole of last year has largely finished and we are now left with a much more open site with a fantastic view across to Daniel's tree and improved access between playgrounds.

We have welcomed our new staff and a number of new pupils to our community too. In particular, Mrs Wheal and Mrs Berrisford have joined our midday team.

Our WOW campaign is up and running again. We ask that all children try and make at least one sustainable journey (walking, parking at Asda and striding etc) every week to earn the September badge.

September

Our school lunches are available to order through ParentPay at £2.30 every day and the menu is on our website. Please ensure your ParentPay account is activated. In order to responsibly manage any payment arrears this year, our office will restrict access to further meals if the debt rises to £12.50 (5 days of meals). If you are experiencing any financial difficulty, please talk to us on 01245 467973

Details are attached to emails to share information for parents about the forthcoming year which our staffing team are dedicated to making as successful as possible.
