Girls Football Finals

In an epic set of finals on Monday 8th July, the Barnes Farm girls team played the winners of the other local leagues (Lawford Mead, Bishops and Springfield) to decide the district champions. The team got to the final and then to extra time....read Grace's report to find out more!

On Monday the school's girl football team had went to Springfield primary school and complete against three different school:

Our first match was Springfield Primary school which had talented people on their team but it didn't challenge the girls, 10 minutes into the game, we scored a stunning goal that had escape from the goalkeeper. Almost unbelievably we scored another stunning goal but this time it was a header that have just escaped the goal-keep. Once or twice the springfield's attempted to shoot but unfortunately they missed and was saved by our outstanding goalkeeping therefore we are in the r finals.

In the finals we was against Bishops Primary School which also have won the semi-finals therefore it will be a challenge for us. Even though in the first five minutes we didn't score but we stay determined and didn't give up 2 minutes after minutes, shots after shots... Although we didn't score but we still stay determined and hope for the best for penalty. For the first and second penalty shootout, both team's goalkeeper saved the shots with a spectacular catch but unfortunately for the last penalty, our goalkeeper touches the football and sadly it bounces into the goal. Unluckily, our last penalty was also catch by the other team's goalkeeper which meant that Bishops had won!

In this case, we had become second place in the tournament which we definitely deserves after all the hard-work we had done to get here.
