## Anti-Bullying Week - 'One Kind Word'

To mark national anti-bullying week, our children engaged in assemblies and lessons aimed at deepening our understanding of how to respond to bullying and how to counteract it. Miss Stanley lead an assembly on this issue and teachers have been particularly looking for great examples of kindness this week. Please find attached a parent pack to support the week.

## SPOILER ALERT!

### Tuesday 23<sup>rd</sup> November- Design and Technology (DT) Day

Next Tuesday 23<sup>rd</sup> November, the children will complete a variety of DT activities based around the theme of 'fidget toys'. In order to enhance this day further, we would like to look at a variety of fidget toys that are currently on the market and being used by the children. If you have a small fidget toy at home, please send it into school next Tuesday.

### School Photographs

There has been a delay on the delivery of the proofs of the individual photographs from Fizz Photography. We expect to bring you an update next week and will let you know the amended order date once confirmed.

### Building site Update!

The site has been quieter this week with work focussing on finishing the brickwork needed for the flooring as well as drainage pipes installed too.

### Y3 + 4 Bowls Competition

A small group of children from year 3 and 4 had the opportunity this week to attend a session at Falcon Bowls Club. The children learnt about the game and had the opportunity to practise key skills required. The children thoroughly enjoyed themselves and would strongly encourage others to have a go! (See Leaflet below)
