Sports Day Achievements

The rain held off and we were able to complete a full Sports Day competitive morning of events on Friday 14th June. Every child had the opportunity to be included with a variety of races from sprinting to relay, egg and spoon and balance races. Classes competed against one another to be the champions! The events were brilliantly supported by huge numbers of family members and made for a memorable morning. Thank you to Mrs Vickers and Mrs Grantham who particularly helped to make it all run smoothly.

Unfortunately, the rain intervened to postpone the afternoon's events but these have been rescheduled for **next Friday 21st June. Please can all children come to school in their PE kit.** The morning will be spent working in mixed House groups on aspects of the Healthy Schools curriculum with lessons around improving and maintaining mental and physical health.
