Parent Consultations + House Cup Reward + Staffing News

All of our parents were offered the opportunity to have a focussed learning conversation with their child's teacher via Teams this week (with some appointments scheduled for certain classes next week). Teachers reported on children's progress over the previous term in key areas and will now begin collating the information required for the end of year report (due in July). I trust this communication was useful for everyone involved. Pegasus and Dragon houses were the joint winners of the Spring Term House cup and celebrated with an extra playtime today (see images).

Finally, Mrs Jordan gave birth to a baby girl last weekend - all are doing well! Also, we are delighted to share that Mrs Walker and Mrs Summers are both expecting new babies in the Autumn too. Congratulations to them and their families!

Sports Achievement

Six children from Y5 were invited to participate in a PE Masterclass at Boswells (one of our CLP schools) last Friday. They excelled themselves and represented the school brilliantly. Thank you to Mrs Sykes for accompanying them to the event and to Boswells PE for hosting.

Netball Tournament

Our netball team placed 4th in a Chelmsford School Sports Partnership tournament held on Monday. Both Mrs Vickers and Miss Cavanagh were so impressed with their teamwork, court assertiveness and overall dedication. The team were celebrated in today's assembly.

Letter from Vicky Ford MP - WOW is coming!

Please see the attached letter from Vicky Ford MP following her visit to the school and surrounding streets on Friday 1st April to see for herself the extent of the parking/traffic issues. We will share our new WOW travel initiative NEXT WEEK which is part of our joint Barnes Farm Schools' travel plan.
