**MAY 2022
BUTTERFLY**

Attendance: 93.9%

No 33: 10th June 2022

SCHOOL

FACTS:

- The butterfly is a type of insect which grows from a caterpillar.
- The monarch butterfly is one of the most recognisable, but is sadly at risk from the changing environment.
- One issue is extreme weather. Droughts and storms are both a problem for the monarch butterfly.

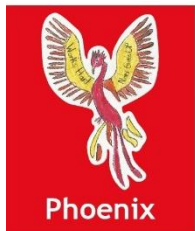

WOW Badges Roll-out

All yeargroups are fully recording their methods of travel to school with those who travel actively (walk, scoot, cycle or park/stride) over a month receiving a much sought after WOW badge. Today, we handed out around 150 butterfly badges to children today for those classes who were able to get up and running in May. This month, all classes are recording modes of travel to school on a weekly basis with the target that 5% of us use the Asda car park and walk into school (currently 2.7%). With over 30% of our children arriving by car, surely this is an achievable objective? You can even pick up some shopping or a coffee on the way back to the car!

We aim to be a nut-free school to protect those children who have severe allergies – please do not include Nutella or other peanut-based snacks in packed lunches

Wednesday 15th June Subject Day!

On 15th June, the children will be taking part in an RE and Music Day.

For the RE part of the day, children are invited to bring in any religious or cultural dress or items to share with the class, or a photo of these if they are unable to bring them in.

The pictures can include pictures of family celebrations, of festivals and traditional engagements, weddings, naming ceremonies, Bar mitzvah and Bat mitzvah etc. Depending on how many pictures and items of clothing we get, there will be a gallery of all the items for people to enjoy. For the musical part of the day, we would also love children who play a portable musical instrument to bring it in to play as part of the musical activities. If they feel comfortable and prepared, we would also love for these children to come in prepared to play a piece of music that they are learning, to their class.

Mini-Saga Writing Competition

Ancient Adventures is a fun way to engage your pupils with creative writing by challenging them to write a story in just 100 words! This really encourages pupils to think about sentence structure and vocabulary.
