## Garden DIY SOS - Help our community!

Calling all parents! Can you come and help clear the footpath between Henniker Gate next Saturday 10<sup>th</sup> July anytime between 9am-11am? Bring your own tools and help to prepare the footpath for wider use from Monday 12<sup>th</sup> July. ## Yee-haw! Y5 enjoy a fantastic Texas Day

The children enjoyed preparing and eating classic Texan dishes. The BBQ beans and taco dip was a particular hit. After a morning of line dancing and sculpture design, the meal was well deserved. A fantastic day had by all.

Thank you to the staff for planning the events and for the parents for supporting with all the costumes.

## Reminder - Our New Build Starts on 12<sup>th</sup> July

The initial stage of the project which starts on **Monday 12<sup>th</sup> July** will see the site being prepared for the works. There will be a secure compound with access in place to the site through the front carpark. Due to this, the following changes are needed:

- Parents walk a new one-way route into school
- Footpath gate opened up and used as a monitored exit
- Part of the junior playground and staff carpark will be fenced off for parking and site compound office

### Y5 have Great Baddow Taster Day at BFJS

Teachers from GBHS came to our school to give Y5 children a taste of secondary lessons this week. The children learnt about pop art and chromatography (completing a series of tests to see which teacher ate all the biscuits!)

Thank you to these Y5 Sports Leaders who were brilliant with Y4 this week in supporting and guiding their sports activities.

### Y6 Engage in Political Interviews!

Our final Y6 class took part in the [Politics Project](#) – aimed at starting powerful conversations between politicians at all levels and young people.

6C interviewed Baroness (Nicky) Morgan of Cotes to

ask her all about the House of Lords, how she got into politics and even what pets she had!  
Also – Vicky Ford MP commented on her virtual visit to Y6 this week too!

## Y6 show superb Enterprise!

After weeks of planning, research and engineering – the Y6 businesses were set loose on the BFJS market! From gliders to slime, keyrings to bookmarks, each business had advertised and marketed their products carefully. Thank you to all the children across the school who bought something – we hope you enjoyed the experience.

## Y4 get publishing!

Inspired by the Wild Robot book, Y4 have created some brilliant non-chronological reports about wild animals of their choice.

Well done to Isabelle in Y5 who raised a brilliant £2000 for [Stand Up to Cancer](#) by shaving off her hair. Her JustGiving page is still open and can be found [here](#)

The children enjoyed a fantastic performance today all about improving their Growth mindset. Please find the order form attached if your child wishes to order a yo-yo as a result.
