

Donations

Thank you for all the donations for our Houses Feast + Fete on Friday 10th July. We would love to still receive any raffle prizes such as tins, bottles etc for our tombola. Any bottle of alcohol can also be dropped off directly to our school office to be a part of our 'Wheelbarrow of Booze' raffle too! In addition, any sweets or small gifts could also be used along with old toys/books or teddies. Finally, cakes are also needed on the day. These stalls will go alongside the bouncy castles, pupil enterprise stalls and other exciting games planned for the afternoon of Friday 10th July. We hope to welcome our entire school community (and the sun) to come out, share a family picnic and support both schools!

Responsible Citizens

We have an excellent reputation at the school for developing our pupils to be responsible citizens within their community. Sadly, a number of events recently have challenged this image.

- Children in school uniform have been banging on neighbour's windows after school resulting in a breakage
- Some pupils have ridden their bikes on school grounds, scaring younger children
- Parents have illegally and repeatedly parked on verges antagonising and blocking local residents

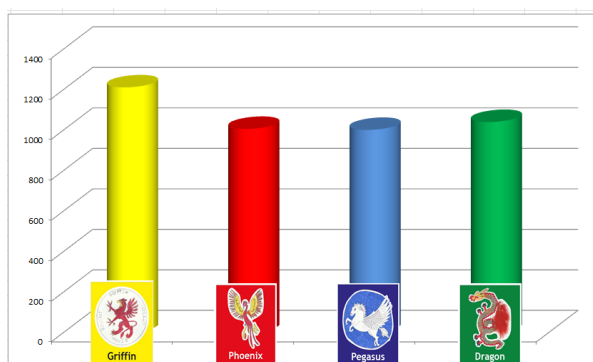

If you have to drive, please park away from the school and walk thereby modelling responsible behaviour. Also, if your child walks home on their own please remind them of your expectations of good behaviour too.

Handwritten signature

We received notification this week that we have been successful in securing another Chinese Language Assistant for 2015/2016. Her name is Mrs Yang and she is an experienced English teacher from our partner school in Changshu province. She will join us in September through until June 2016. If you are able to help with accommodation for her during this time, would you please contact the office. Two of our teachers will also be going out to visit our partner school to learn about how Maths is taught there during the October half-term holiday.

Friday 10th July is our House Feast day. As a result of this, there will be no school dinners provided on this day.

House Point Totals Week 10

Today is the last day to order class photos via ParentPay at £1 each. Photos are available to view on the website.

Other Key dates

Thurs 9th July	'Move Up' morning for classes
	Display Evening 6pm-8pm
