Dear Parents and carers,

The Government has now confirmed that schools should open more widely to Y6 pupils. We have been planning extensively for this anticipated decision (in conjunction with the Infant school) and updating our plans accordingly in light of the frequently revised guidance. This letter and the associated guidance forms our offer to you all in the light of this decision.

From **Thursday 4th June**, the school will open more widely to pupils and divide into discrete bubbles in order to minimise risk of wider transmission

Phase 1 Thursday 28th May - Sunday 31st May

Y6 parents respond to the survey to indicate if their child will be attending. School collates responses from Y2-Y5 survey (now closed) and organises into bubbles.

Phase 2 Monday 1st June - Wednesday 3rd June.

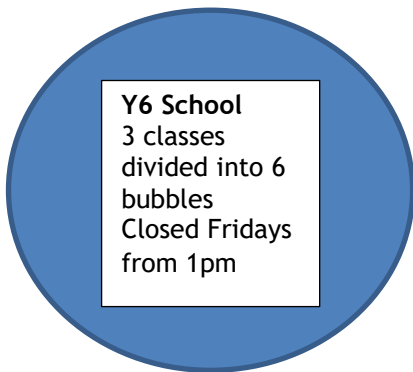

Keyworker provision continues at school (since 23rd March).
Parents of new Y2-Y5 childcare informed by school of new arrangements.
Staff training and school site preparation for wider return.
Y6 bubbles organised and communicated to parents

Phase 3 Thursday 4th June

School opens to wider pupils under the revised guidance.
New routes of entering/exiting the site established with a one-way system introduced
No routine access allowed to the school office (attendance by appointment only)

Y6 School (opening from 4th June)

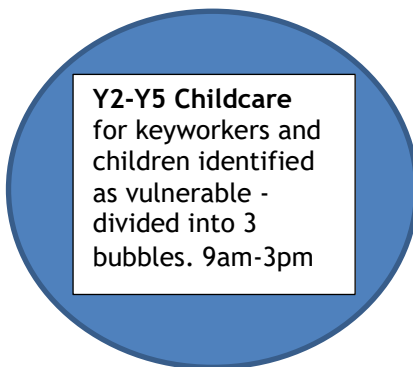

Teaching Team (6 bubbles) - in main building
