Welcome Back!

It's been a very busy start to the new term in 2023 with various parental engagement opportunities this week across the school. Lots of Y3 parents and carers came to a presentation about how we assess your child's attainment and progress - for anyone who missed it (or is interested from other yeargroups) the presentation is [here](#). There was then a general opportunity to look at pupil outcomes in classrooms in the Jubilee building. 85% of Y4 - Y6 parents then booked an appointment to meet with their child's classteacher on either Monday or Wednesday. There will be a further opportunity for all yeargroups to do this in April at the start of the Summer term. Thank you to the everyone involved in showing commitment to having purposeful learning conversations.

Y6 PE Day Friday 20th January

Y6 Bowling Competition

On Tuesday a group of children from Year 6 went to Falcon Bowls Club to participate in a Bowls Competition. They were keen to join in with all the activities and showed great improvement with their skills. All the children represented the school in a polite and respectful way, engaging with the other adults from the Bowls club. Although our school did not finish in the top 3 teams, the children thoroughly enjoyed their experience.

Thank you Mrs Wye and Mrs Suckling for leading this trip.
