- 22nd Feb 2021 28th May 2021

Y3 Visited the Chelmsford Museum this week to investigate our Neolithic past

School Games Update

Bronze Ambassador Training

On 23rd September - four pupils from year 6 attended Bronze Ambassador training at Chelmsford Sports and Athletics Centre. Throughout the afternoon, they learnt about how to organise playground activities for younger pupils and how to officiate at competitions. Later in the year, they will be given the opportunity to attend sports partnership competitions and help with officiating and organisation. We look forward to seeing how their leadership skills develop throughout the year.

Chelmsford School Sports Partnership Football Tournament

This week, both our girls and boys football teams have attended the partnership football tournaments at Great Baddow High School. This was the first time that these children had played together in a team and most of our girls had not played in a football match before. We are immensely proud of the determination and sportsmanship that both teams showed throughout their competitions and so pleased that all players had the most fantastic experience and the chance to develop their skills.

Year 5/6 Girls

Our girls team played in a competition with 17 other schools and were placed 14th overall. The team worked so hard and showed exemplary sportsmanship to both their own and other teams. As the tournament progressed, the confidence and teamwork went from strength to strength. The girls are now looking forward to playing more games in the Chelmsford league. Well done girls - you should feel extremely proud of your achievements both individually and as a team. You all made the most of the opportunity and developed your understanding of the game. You proved to be excellent representatives of the school.

Champions

Year 5/6 Boys

Champions

22 teams from Chelmsford competed in the boys competition. We are very pleased to announce that our boys team won the competition and will now compete in the County Finals on 28th November at Chelmsford City. This is an outstanding achievement, particularly as this was the first time they had played together as a team. Not only was there a flurry of superb goals being scored but the team kept a clean sheet throughout the competition. The boys were over the moon with the result and returned to school, proudly displaying their medals. Congratulations to each and every one of you for a thoroughly deserved triumph. Good luck for the final.

Huge thanks and congratulations to Mr White who has worked with both teams and coached them throughout the competition.

Y3 Visit Chelmsford Museum and Discover Cave Painting

On Tuesday 1st October, all of Y3 successfully visited the newly refurbished Chelmsford Museum with the aim of finding out about Chelmsford's Neolithic past. They discovered lots of information which will be used over the coming weeks back in class. This enrichment activity was financially supported by 100% of the parents too. Then they engaged in recreating cave painting under the desks (as if in a cave) for added historical effect. Well done Y3!

Harvest Festival

---	---

Thank you for your generosity, and thank you on behalf of all the families in food poverty who receive your gifts.

Chelmsford Foodbank is overseen by Oasis Chelmsford Ltd, a company limited by guarantee. Registered in England number: 765237. Registered charity number: 1144804.

It's that time of year again when we turn our attention to celebrating the tradition that is Harvest Festival.

As in previous years, we are celebrating a cause very close to home with the **Chelmsford FoodBank**.

We will be holding a special assembly for the children on Friday 18th October and would love to receive any donations from the list here.

Please bring items in over the coming weeks into the Junior Office and we will ensure they get delivered to help the most vulnerable families in the Chelmsford area.

Many thanks in advance!
