

Barnes Farm Junior Sponsored Run

Throughout next week (14th June onwards), we will be holding a sponsored run using our Daily Mile track. We will be raising money to purchase a new circular bench for Daniel's tree, which stands proudly on our school field and was planted 4 years ago to remember one of our pupils who died. The bench will continue to be a special place in school where pupils can sit together, talk and reflect in the shade of the beautiful tree. Any extra sponsorship collected will be put towards creating a

sensory garden in the school grounds. Each class will run/jog walk for a total of **half an hour**. Six laps of our track is equal to one mile. Sponsorship can be per lap/mile or a fixed amount.

We are asking the children to collect sponsorship from family and friends during half term. Once the event has taken place, we would like the children to bring their sponsorship money to school in the week beginning 21st June.

Children will take part on a day that they have PE on the timetable :-

Monday – Year 3

Tuesday – Year 4

Wednesday – Year 5

Thursday – Year 6

The children will have laps counted so that they can let their sponsors know what to pay. A sponsorship form is attached; there will also be paper copies available in school. We would really appreciate your support with this event. Thank you in advance.

More hairy fundraising!

Gracie and Beau in Y4 donated their hair to the [Little Princess Trust](#). The charity provides real hair wigs to children and young people, up to 24 years old, who have lost their hair through cancer treatment or other conditions. On Friday 28th May, they both got their long hair cut and donated it to the Little Princess Trust whilst raising nearly £3,000 between them, donations still coming in. All proceeds will be split between LPT and Show Stoppers for their upcoming trip to Disney Paris to perform. Many pupils of a Barnes Farm attend this wonderful musical theatre group.

Well done Gracie and Beau!
