SHOESDAY

Turn your shoes into SUPER-HEROES!

Use our shoe cape template to create super-happy shoes. Simply print out a copy for each shoe, decorate them as colourfully and crazily as you like, then use a piece of string to tie them around your ankles. We recommend you print them on thick paper or card so they last longer.

1. CUT OUT YOUR CAPE

2. FEED STRING
THROUGH HOLES AT THE
BACK AND TIE KNOT

3. PUT COVER OVER
SHOE AND WRAP STRING
AROUND ANKLE
