New Building Tours + Y6 SATs preparation

All of our classes completed their tours of the new building to observe any changes from last term's visit. We are getting ready to order new furniture for the building which will fully open in September for our Y3 classes who will join Y2 and some Y1 pupils in this brand new structure. Over the summer, the three demountables will be demolished and our site will return to a more normal state and less of a building site! The nearly £2 million pound investment from our academy trust, the Chelmsford Learning Partnership, sees an ambitious vision for both the Infant and Junior schools to work ever more closely together to minimise any barriers to transition. Next week sees our Y6 pupils participate in the national SATs week. They have been preparing well and we look forward to focussing on these exams next week and then turning our attention to resume a usual broad curriculum afterwards.

Future Grandmaster?

Emilia in Y6 took part in her first chess competition after developing an interest through our Chess Club from last term. The competition, called 'She Plays to Win', involved 28 players and she finished 2nd. Well done Emilia!
