11 July 2014

Dear Parents/Carers

A suggestion from the Parent Voice meetings was to hold a coffee morning for parents and to put any donations for refreshments towards a project chosen by Friends of Barnes Farm Schools. We are going to hold our first such coffee morning on **Thursday 17<sup>th</sup> July from 8.45 - 9.45am in the Barn**. All are welcome to attend!

The project chosen by FOBFS is to buy permanent table covers for their craft mornings. These popular events are much enjoyed by our children and having good quality resources that can be reused in the future will be an asset.

We will need donations of cakes/biscuits/traybakes, so if you are able to provide something, we would be really grateful. Please either bring it to the Barn or school office on Thursday morning or drop it into the office the day before. We regret we cannot accept cream cakes on this occasion.

I hope to see you there!

Yours sincerely,

Richard McIntosh  
Deputy Headteacher
