13<sup>th</sup> April 2015

Dear Parents

On Wednesday 29<sup>th</sup> April we have been allocated places on the *Crucial Crew* scheme which is being run by Chelmsford Borough Council. We propose taking our Year 6 pupils to the TA Centre at Springfield Lyons in order to take part in this personal safety and crime prevention initiative, and we are confident that the course will prove both helpful and enjoyable. It aims to teach your children to:

- become more aware of personal safety and the safety of others
- learn how to react to dangerous situations
- make a contribution to crime prevention
- avoid becoming the victim of crime
- know what role the emergency services play and how to contact them
- develop good citizenship

Our session will be held between 9.45 and 11.45. In the past there has not been a charge for this event but due to council budget restraints, we now have to pay therefore we are asking for a voluntary donation of £2.00 per child to cover the cost to be paid via ParentPay.

We will be walking the short distance to the TA centre, but we do need permission for each pupil to attend so I shall be grateful if you will return the attached reply slip to school as soon as possible. In the case of inclement weather that day, children should wear suitable footwear and school uniform with a waterproof jacket. We have been advised that skirts will not be suitable for the event!

Yours sincerely

J. Hollick

Year 6 Team Leader
