Dear Parent or Carer

PARENT GOVERNOR ELECTIONS

There is a vacancy for the position of Parent governor on our school's governing body and I am writing to invite nominations to fill the roles.

Parent governors play an important role as members of the governing body, which is responsible for directing the conduct of the school and for promoting high standards of educational achievement. The term of office for parent governors as determined by the governing body is 2 years. (Some details about the work of the school's governing body are enclosed.) Training is available for all governors and those new to being a governor are encouraged to attend induction training.

We recruit and welcome our Governors from a range of different backgrounds. They all have skills and experience to offer, and they are **all volunteers who work together for the benefit of the School. They are the link between the School and the community it serves.** We would be delighted to hear from anyone who can demonstrate any of the following attributes:

- *an interest in the performance of the school*
- *a desire to contribute to and represent the community*
- *an open and enquiring mind*
- *the ability to look at issues objectively*
- *the confidence to ask questions and join in debate*
- *a willingness to listen and make informed judgements*
- *the ability to work well with others*
- *time to spare*
- *willingness to undertake training*

In addition, the Governing Body at Barnes Farm Juniors would be particularly interested in recruiting any parents with a background or experience in any of the following areas:

- ✓ general finance
- ✓ social mobility

If you would like to stand for election please arrange for the enclosed nomination form to be completed and returned to the school not later than **9:00am Monday 11th October 2021**. Spare printed nomination forms are available from the school office. Nominations must be from parents or carers with children at the school on the day that

nominations close. Parents/carers putting their names forward are invited to provide some brief biographical details limited to not more than **50** words suitable for inclusion in the ballot paper.

Parents/carers who have paid employment in the school for 500 hours per academic year or more or who are elected members of the Local Authority are not eligible to stand in these elections.

[This link](#) summarises the expectations that accompany the role of a governor at the school. Also, I have included below the list that anyone standing for election must certify that he/she is not disqualified from for any reason.

If there are more nominations than vacancies the election will be by secret ballot. If that is necessary, voting papers will be sent to all parents together with details of the ballot procedure.

Yours sincerely

Mr R McTaggart
Headteacher

Appointment of Ex-offenders – information for applicants

The Criminal Justice and Court Service Act 2000, extends the definition of 'Regulated' positions for which criminal records checks can be made through the Criminal Records Bureau (CRB) under the Rehabilitation of Offenders Act 1974 (Expectations) Order 1975 from time to time enacted and amended. One such regulated position is that of school governor.

Appointment to the position of school governor will not be confirmed until a satisfactory clearance has been received by the Local Authority (LA). The LA has a nominated person who will deal with criminal records checks for school governors and they will remain confidential to that person and the County Council's Disclosure Unit which is responsible for processing the checks. A previously issued Criminal Records Disclosure Certificate will not be accepted. You should speak to the nominated person at the LA if you already possess a current Criminal Records Disclosure Certificate.

Criminal records will be taken into account for school governor recruitment purposes only when the conviction is relevant. Having a criminal record will not necessarily bar you from appointment as a school governor. This will depend on the background, nature and circumstances of your offence(s).

Essex County Council meets the requirements of the Criminal Records Bureau and its code of practice in relation to the processing, handling and security of disclosure information. A copy of the County Council's policy on the employment of ex-offenders is available at the school for information. If you would like to see a copy of the Criminal Records Bureau's Code of Practice, please contact Essex Governor Services who will arrange a copy to be sent to you.
