## Sustaining Positive Relationships

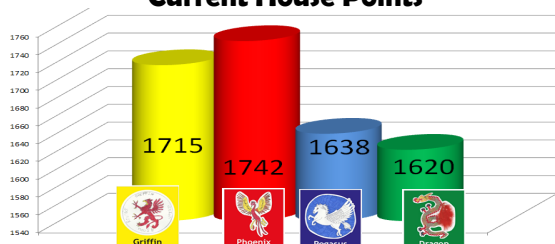

As a general rule, Barnes Farm Junior School is a very orderly, safe place, where relationships between staff and visitors, especially parents/carers, consistently demonstrate mutual respect and the recognition of a shared responsibility for pupils' welfare and educational progress. Parental involvement is a hugely important factor in educational success and in dealing with emerging problems at an early stage.

However, on occasions recently, the behaviour of a few parents has caused upset to others in our school community, most notably some pupils. It is my duty to re-iterate the guidance that everyone within our community should model not only our school values but also those British values of mutual respect, tolerance, respect for the law and understanding the consequences of our actions.

If parents or carers wish to pursue an issue relating to their child, they need to direct their response through the school. This may mean passing on a message at the door to the classroom, 'dropping in' after school on a Wednesday, scheduling an appointment or contacting the school via email or letter.

## Wanted!

Have you any silicon chocolate moulds that you no longer need or could lend?

Year 4 would be grateful for any donations for their topic in the Spring term - 'Should We Stop Eating Chocolate?' If you do have any to donate to the school, please bring them into the school office where they will be passed on to the Year 4 team.

Many thanks - Design and Technology Leader.
