Armistice Day marked with 2 min silence

Thank you to all those who bought something poppy-related to support the Royal British Legion's appeal this year. We marked Armistice Day with a 2 minute silence today which was impeccably observed by all staff and pupils.

Boccia/Kurling Competition

On Monday, 7 children from Y5/6 went to Chelmsford Athletics Centre and there was a Boccia + Kurling competition. We did the Boccia; there were 11 schools participating and out of the schools we got 3rd place. It was relatively easy and we succeeded in most games. I think I really enjoyed the Boccia competition and competing in it. Finally, I'll say thank you to Mrs Armour because she supervised us and made it very fun.

Choir

There are a number of spaces in the Choir club which meets on a Tuesday 3:15-4:15pm with Mrs Fung. It has a brilliant opportunity to come together with other pupils who like singing and learn some new songs. We accept all abilities - you just need enthusiasm! You can sign your child up through Parentpay or through the main school office.

Other Club Spaces

Please check on Parentpay as there are a number of other clubs with spaces - we want as many children as possible to engage with our extra-curricular offer.

Christmas Card Design Challenge - Final Call!

The school is inviting children to hand in any designs for a Barnes Farm Junior school Christmas Card which we will publish and send out to our linked partners and stakeholders. The closing date will now be Monday 14th November and designs can be handed in to the office (in any size). Alternatively, children could include designs of Chelmsford to be put forward for the local MP Christmas Card competition too.
