Ofsted - We continue to be judged as a 'Good' school

This week saw the publication of our Ofsted report which captured so many strengths of our provision and also identified where we needed to improve further. Thank you to all the parents and carers who responded to the ParentView survey as well as the staff, pupils and Governors who were seen by the Inspector. Here are some snippets that we are especially proud of:

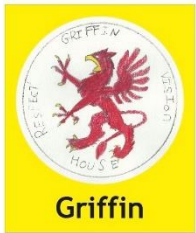

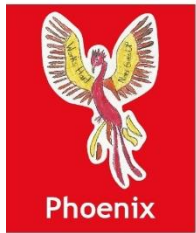

Pupils are kind, courteous and polite towards each other and adults

There is a culture of safeguarding in the school

Leaders have designed and developed an ambitious curriculum for all pupils

The report will be published on the Ofsted website soon - but for now, you can read it [here](#)

Our Polite Parade this week

Y6 at Kingswood

75 Y6 pupils travelled to the Kingswood Outdoor Activity centre with 6 staff for a 4 night residential stay last week. The children threw themselves into all the activities and really bonded as a unit. It was a thoroughly successful trip achieving the outcomes we aimed for. Here are some guides and testimonials:

Lost Property is now located in the Front Office foyer. Please check items before Thursday 20th October as we will be recycling any items from the half term after this date!
