The internal layout

This wonderful modern building is also versatile. There are 4 areas for hire; the Cedar Studio and three meeting rooms. All have access to the shared kitchen which has a cooker, induction hob, dishwasher, fridge, microwave and kettle. In addition there are cups, saucers, mugs, plates, bowls, glasses, jugs and cutlery for general use.

There is a baby change unit available in the disabled toilet. The whole building can be hired or any individual room. Oak and Beech rooms have an acoustic screen that separates the two rooms but can be opened to provide one larger space

Cedar Studio

This light and airy room is large enough to hold approximately 100 people standing or 50 seated. It has a hatch to the kitchen for ease of use.

A large cupboard holds all the tables and chairs so that you can arrange the hall as you wish. The studio has both heating and air conditioning. An interactive Smart LED screen and a surround sound music system are both available for use.

Beech and Oak

Comprises of two small rooms which each holds 6 -8 people seated. It provides an ideal space for meetings or small activity groups. An acoustic screen can divide the rooms into two separate areas or be used as one larger space
