

Barnes Farm Junior out and about!

Y5 Mersea

Just before the May half term, Y5 travelled for 3 days to Mersea Outdoor Activity Centre and took part in a whole host of fun activities from caving to kit carts. Although the weather went against us on one of the nights, the children and staff excelled themselves. Staying for two nights rather than one enabled a greater community spirit by the end which helped us all. Thanks too for all the parental support before and during the trip.

Y6 Isle of Wight

On the week after half term, our Y6 pupils and staff journeyed to Sandown on the Isle of Wight for a week of surfing, workshops and days out exploring the island. The pupils thoroughly enjoyed themselves and are set to entertain the parents in a special assembly tomorrow. The Chair of Governors, who attended the trip himself, wanted to pass on his gratitude to all the those involved in making it a success and to thank them for their huge commitment over such a long week.

Y4 Cressing Temple

Finally, a special mention for the Y4 pupils who went back in time on a tudor Cressing Temple visit yesterday. The support from the parents for costumes was tremendous and really sealed the success.
