Final Newsletter of the 2021-2022 Academic Year

The final day has passed and we have waved goodbye to our fabulous Year 6 pupils as they move to the secondary phase of their education. They entertained a packed hall of parents and carers on Wednesday afternoon with songs from their recent production and their teachers picked out some particular children's achievements to celebrate. Earlier in the day, we had hosted similar assemblies for our other yeargroups with awards being handed out to particular children who had demonstrated each of the 'secrets of success'. We also gave out our whole school awards - these are detailed below.

Over the summer break, our demountables are being demolished (the children had a final opportunity to create some street art on the last day) and groundworks undertaken to open our site back up and restore playground space. I'm very excited to welcome our new Y3 pupils into the brand new Jubilee building. We will share information prior to the start of term about where to drop off/collect from too.

We also said goodbye and thank you to Mr Smart, Mrs Kuma and Mrs Crumlsh who are relocating to various parts of the world to continue teaching.

It remains for me to say a thank you to all of our parents and carers who have provided such great support to our children across the year and dealt so well with fluctuating Covid-19 advice and other arrangements. We are all looking forward to an even more settled and successful year in 2022/2023. Term begins on Monday 5th September 2022 - new term dates are [here](#).
