### BFJS colouring page

Violet from Year 4 made a charitable donation to have a special colouring page designed for our school. These type of colouring pages displayed in windows have helped give cheer to people out on their daily exercise so we're grateful to Violet for sharing this with us (attached to newsletter email).

### Sports Day

We recognise that the school will be missing out on a traditional sports day this year. We would like you all to join us in taking part in **The Joy of Moving Home School Festival**. We have chosen the **afternoon of Friday 22<sup>nd</sup> May**. Hundreds of schools will be taking part across England, Wales and Scotland. The resources are available on a digital file that is attached to the newsletter email. The teachers will also send to the children via eSchools. The booklet includes sections that you can print off if possible.

We would like to invite parents to post photographs and video clips on social media but this is entirely voluntary. There is also a competition element in the pack where three families can win £500 worth of sports equipment for the school. High profile sports people will also be posting clips to join in the fun.

We would like families to choose some of the activities to take part in on the afternoon of Friday 22<sup>nd</sup> May. There are plenty to choose from - so you might also want to do some throughout the week although there is a festival timetable on pg5 of the booklet. It would be great if you could share some of your photographs by sending to Mr McIntosh.

Jokes - Match the question to the punchline (number 4)

See if you can work out the punchline

If you can't - try to match from the selection below

1. What is a penguin's favourite footwear?
2. Why did the jelly wobble?
3. What do you get when you cross a cheetah and a hamburger?
4. What kind of footwear do you make out of banana skins?
5. What is bad-tempered and goes with custard?

- a) Punchline: Fast food!
- b) Punchline: Slippers!
- c) Punchline: Flipper-floppers!
- d) Punchline: Because it saw the milk shake.
- e) Punchline: Apple grumble!

## Home learning examples

Thank you to all of you who are responding to my request for examples of your home learning or other activities you have been doing. Please send more to me or your teachers by emailing through eSchools.

Isabelle from Year 6 delighted everyone in her family with a homemade carrot cake.

Megan from Year 5 and Leo from Year 3 have made scarecrows to ward off birds from the carrots they are growing!

Ellis from Year 5 has been making sure his pets are well looked after during lockdown - Mabel and Sheldon the tortoises and Fifi the cat.

James from Year 4 has been busy with school work and enjoyed a bank holiday weekend of baking and creating a quiz for his family to take part in at home and on Zoom. There were five rounds of ten questions: history, geography, films and tv, music and sport. They all said it was great!
